

Transfer to Copyright to Department of Mathematics

FNS CPU in Nitra

Paper (full title):

1-st author: _____

2-nd author: _____

3-rd author: _____

4-th author: _____

I hereby assign to Department of Mathematics FNS CPU in Nitra the copyright in the manuscript identified above and any supplemental tables, illustrations or other information submitted therewith that are intended for publication as part of or as a supplement to the manuscript (the "Article") in all forms and media (whether now known or hereafter developed), throughout the world, in all languages, for the full term of copyright, effective when and if the article is accepted for publication. This transfer includes the right to provide the Article in electronic and online forms and systems. The Article will be freely available for download and sharing the link is possible for authors. No revisions, additional terms or addenda to this Agreement can be accepted without our express written consent. Authors at institutions that place restrictions on copyright assignments, including those that do so due to policies about local institutional repositories, are encouraged to obtain a waiver from those institutions so that the author can accept our publishing agreement.

Please, if you have read and understand the full list of rights retained by authors, then date and sign this document.

Date: _____ Signature: _____

Mail scanned copy of the signed document to nitra.conference@gmail.com. This form must be signed by at least one author.
